

Rx History Report (Mock)

Case ID: LTC-NY-2026-000174

Insured: Jordan A Taylor DOB: 07/14/1961

Source: PBM/Payer Rx extract (mock)

Active Medications (last 12 months):

- Metformin 500mg, 2x daily — Indication: Type 2 diabetes — Refill adherence: moderate (2 late refills)
- Lisinopril 10mg daily — Indication: Hypertension — Refill adherence: good
- Atorvastatin 20mg nightly — Indication: Hyperlipidemia — Refill adherence: good

Other Notables:

- Nicotine patch 14mg (OTC claim) — last claim 10/2025 (potential tobacco/nicotine inconsistency)

Flags:

- Diabetes medication present → require labs (A1c), build, BP, and complication screening.
- Nicotine-related claim conflicts with application response (tobacco = No).
